EDUCATION

EPITA (École Pour l'Informatique et les Techniques Avancées)

Msc in Computer Security

Grade: *Upcoming*

Paris, France

Feb 2026 - Sep 2027

Crescent University Abeokuta(CUAB)

BSc in Computer Science

Grade: *4.53/5.00 CGPA (First Class Hons)*

Thesis : *A Web-Based Conversational Agent for Mental Health Support*

Supervisor: *Dr. Alaran*

Ogun State, Nigeria

Nov 2020 - Aug 2023

University of Lagos(UNILAG)

Diploma (A Levels) in Computer Science

Grade: *Distintion*

Lagos State, Nigeria

Sep 2019 - Aug 2020

HONORS AND AWARDS

First Class Graduate – B.Sc. Computer Science, CUAB

2020-2023

Deans Honor List, CUAB (6 semesters)

2020-2023

Honour Roll Student – Outstanding Academic Distinctions

2017-2018

Best graduating student, Unique Children School

2013

RESEARCH EXPERIENCE

Project: A Web-Based Conversational Agent for Mental Health Support

Ogun State, Nigeria

Undergraduate Researcher

Nov 2022-Aug 2023

Supervisor: *Dr Alaran*

- *Developed a web-based chatbot for mental health support using NLP and Flask.*
- *Implemented hybrid rule-based/AI-driven methods for personalized interaction.*
- *Evaluated system accuracy, usability, and user satisfaction.*

TEACHING EXPERIENCE

Department of Computer Science, CUAB CHAPTER

Lagos-State, Nigeria

Academic Tutor

Feb 2021-Aug 2023

- Tutored classmates and junior students in MATLAB programming, Automata Theory, Algorithms, and advanced Mathematical courses.
- Provided guidance in web development, programming, and database systems.
- Mentored peers in project tutorials, debugging, and exam preparation..

PROFESSIONAL EXPERIENCE

Hesed Edusuite

Lagos-State, Nigeria.

Lead Frontend Developer (*Software dept.*)

Jun 2025-Present

- Developed and debugged responsive landing pages and key platform pages using React.js and Tailwind CSS to enhance performance and user experience.
- Participated in testing and refactoring the e-learning platform software.
- Supported user onboarding, ensuring seamless adoption of the application.
- Ensured cross-browser compatibility, improving accessibility across major browsers.

Grundpay

Lagos-State, Nigeria.

Lead Frontend Developer (*Software dept.*)

Feb 2025-Present

- Leading frontend development for a fintech platform specializing in real estate installment payments, managing structured payment plans and transaction tracking
- Architecting and implementing scalable React applications using Vite, TypeScript, and modern state management patterns
- Building secure payment interfaces with seamless user experiences, integrating payment gateways and wallet systems
- Mentoring and guiding frontend team members, establishing coding standards and best practices for React development
- Optimizing application performance and implementing Progressive Web App (PWA) features for enhanced mobile experience
- Collaborating with cross-functional teams to deliver high-quality fintech solutions with focus on security and user experience

Sidmach Technologies

Lagos-State, Nigeria.

Frontend Developer (*Software dept.*)

Jan 2024-Mar 2025

- Led the development of a web application for class management using React.js and CSS, enhancing user experience significantly.
- Resolved bugs, minimizing system downtime and improving user satisfaction.
- Collaborated with a team to integrate and optimize a live project, ensuring smooth platform operation.

LM Tech Hub

Lagos-State, Nigeria.

Penetration Tester

Jun 2024-Oct 2024

- Worked as a Penetration Tester at LM Tech Hub, where I was responsible for identifying and addressing security vulnerabilities in computer systems and networks.
- Utilized Kali Linux and other tools to conduct penetration testing and vulnerability assessments, ensuring the security of the organization's infrastructure.
- Collaborated with cross-functional teams to develop and implement remediation strategies to enhance the overall security posture.

Tech4Dev

Lagos-State, Nigeria.

Penetration Tester

May 2024-Jun 2024

- I gained practical experience in various aspects of cyber security, including network security, ethical hacking, and vulnerability assessment.
- Assisted in conducting penetration testing and identifying potential security vulnerabilities within the system.
- Contributed to the development and implementation of security measures to protect against cyber threats, utilizing tools such as Kali Linux and SQL injection techniques using BurpSuite.

Imprinmo

Lagos-State, Nigeria.

Frontend Developer (*Software dept.*)

Aug 2021-Feb 2022

- Enhanced software interfaces in collaboration with engineers, leading to improved system efficiency.
- Refactored core modules, achieving faster system load times.
- Worked with cross-functional teams to build scalable and high-performance software solutions tailored to client needs.
- Ensured cross-browser compatibility, improving accessibility across major browsers.

VOLUNTEERING/LEADERSHIP EXPERIENCE

Electoral committee, CUAB Student Union Election, 2023 <i>Computer Science Dept. Electoral Coordinator</i>	Lagos State, Nigeria Mar 2022-Apr 2022
- Coordinated with other committee members and Computer Science dept. Stakeholders to ensure a well organized and smoothly executed electoral process. - Managed candidate nomination and addressed inquiries to ensure a transparent and inclusive election.	
Tenor Line Major(BAND) – NYSC <i>Line Major</i>	Lagos State, Nigeria Apr 2024-Aug 2024
Led the tenor line, managing and organizing rehearsals. Successfully taught new batches essential line sequences for each swearing in at the orientation camp, fostering teamwork and performance excellence.	
Electoral Committee (Band) – NYSC <i>Electoral Coordinator</i>	Lagos State, Nigeria Sep 2024-Oct 2024
Led the tenor line, managing and organizing rehearsals. Successfully taught new batches essential line sequences for each swearing in at the orientation camp, fostering teamwork and performance excellence.	
Sport Prefect (Athletics) <i>Relay, Football and Basketball Captain</i>	Lagos State, Nigeria Apr 2018-Jul 2019
Organized team practices, coordinated training schedules, and motivated peers to improve performance. Represented the school in inter-house and inter-school competitions, promoting sportsmanship and teamwork.	
Sport Prefect (Athletics) <i>Relay Captain</i>	Lagos State, Nigeria Mar 2012-Aug 2013
Led the school relay team, training new members and developing strategies for competitions. Fostered teamwork among student athletes and contributed to the overall success of the school's athletics program.	

ACADEMIC/PROFESSIONAL AFFILIATIONS

Graduate Member, Nigerian Computer Society (NCS)	May 2025-Present
Student Member, National Association of Computer Science Students (NACOSS)	Jan 2021-Aug 2023

TECHNICAL SKILLS AND COMPETENCIES

Languages & Frameworks: JavaScript, React.js, HTML5, CSS3, Angular, Next.js, React Native

Cybersecurity Tools: Kali Linux, Metasploit, Wireshark, Burp Suite

Expertise: Penetration Testing, Vulnerability Assessment, Ethical Hacking, SQL Injection

Design: Responsive Design, Bootstrap, TailwindCSS, Ant Design

Collaboration: Git, GitHub, Agile, Scrum

CERTIFICATIONS

Frontend Developer – HiSkyTech	June 2024
Frontend Intern – HNG View Certificate	Aug 2024
Web Developer – Cognorise INFOTEC	Jul 2024
Frontend Development (CSS) – Great Learning View Certificate	May 2024
Frontend Development (HTML) – Great Learning View Certificate	May 2024
Frontend Development –Africa Agility Foundation View Certificate	Jul 2024
Microsoft Certified: Security, Compliance, and Identity Fundamentals View Certificate	Aug 2024
